

Accommodation for NCNR 2020 (2021)

Reservation

You can either book hotels on your own or when registering for the conference. We suggest that you do this well in advance.

Hotel rooms have been pre-booked at special conference rates for the participants at the venue hotel and in two other hotels in the vicinity of the venue. We encourage you to book the hotel when you make your registration online so you will not risk that your preferred hotel is fully booked.

If for some reason it is more convenient for you to book the hotel room after having registered for the conference it is still possible to book and achieve the favourable conference rate, as long as rooms are available.

In order to book a room after having registered online please send us an e-mail to:
participants@discongress.com
